

Silverhawk Portfolio Company Discovery Support Services Acquires Cantu Copy, Inc.

July 31st, 2009 – Healthcare Information Management provider Discovery Support Services (“DSS”), backed by Silverhawk Capital Partners (“Silverhawk”), has acquired the assets of Cantu Copy, Inc (“Cantu”). Terms of the deal and financial details of the transaction were not disclosed.

Headquartered in Chicago, IL, Cantu has been providing business process outsourcing solutions for the healthcare industry since 2000. Cantu’s credentialed management professionals provide Release of Information services, electronic and paper-based medical chart storage, retrieval, file management and disclosure reporting for both paper-based and electronic systems for Health Care organizations. DSS is excited about this transaction and the prospects for the combined business. With a focus on providing a high quality staff and a consultative relationship with its customers, Cantu strives to provide its customers innovative and highly secure solutions their health information management needs.

About Discovery Support Services

Based in Atlanta, Georgia, the Company is a leading provider of customized information management services to healthcare, insurance, and legal professionals. The Company has agreements with hospitals, clinics and physicians in over 30 states to service the release of information (“ROI”) requests made by other healthcare, insurance, governmental or legal entities. Discovery provides scanning, database, HIPPA compliance/review, and delivery services to their clients to fulfill these ROI requests. In addition, the Company provides customized medical document retrieval (“DR”) services to the legal and insurance industry to use in supporting and defending claims.
